Nirman Bhawan, New Delhi
Date: 31st May, 2018.

Office of DGHS
FTS No. 929724
Date 31/5/18

Subject: Material for preparation of DMU report for the quarter April-June, 2018 - reg.

Under Delivery Monitoring Unit (DMU) mechanism, Secretary (HFW) has to demiofficially apprise Principal Secretary to PM every quarter of the progress of National Health Mission (NHM) and the National Commission for Human Resources in Health (NCHRH), with the assessment by Secretary (HFW) thereon, in terms of the outcomes / targets and timeframes and specifically bringing out any issues that may require attention or resolution at a higher level. This assessment could take into account any major issues of relevance flagged in Parliament or in the media or in other forums. The expenditure figures upto the quarter are also to be included in the DMU report.

2. As prescribed by the PMO, the DMU report is expected to reach Principal Secretary to PM by the 5th of the month following every quarter. All concerned were requested, vide Statistics Division's communications of even number dated 12th and 26th April, 2018 to ensure sending the information related to their Programmes/Divisions by the 2nd of the succeeding month for the April-June, 2018 quarter. However, information has been received from only a few Programme Divisions only.

3. Considering that 30th June and 1st July, 2018 are Government holidays, all concerned are requested to ensure that complete information (along with expanded forms of acronyms / abbreviations) as indicated in para 1 above (specifically bringing out any issue that may require attention / resolution at a higher level) may be furnished to Statistics Division positively by 27th June, 2018 for April-June, 2018 quarter. Those Programme Division who have not furnished their material for April and / or May, 2018, may furnish the same with that of June, 2018. This would enable this Division to timely compile the quarterly DMU report and to submit the file on time.

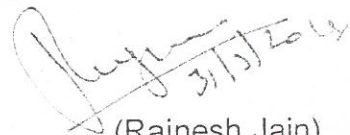

4. The material furnished by some of the Programme Divisions pertains to attending seminars/meetings/workshops only. Such material should not be included in future reports to DMU. If no concrete activity was performed by the Division, only a 'NIL' report needs to be furnished to Statistics Division in future.

5. The soft copy of the information may also be e-mailed to Shri Alok Kumar Verma, Director (Statistics) at the e-mail ID alokkumar.verma@nic.in and Ms. Sunita Choudhary, Assistant Director (Statistics) at the e-mail ID sunita.choudhary90@gov.in.
