

1. The particulars of its organisation, functions and duties.

Central Bureau of Health Intelligence (CBHI) is the National Nodal Agency for Health Intelligence in the Directorate General of Health Services (Dte.GHS), Ministry of Health & Family Welfare, Government of India. CBHI also functions as Collaborating Centre (CC) for World Health Organization, Family of International Classification (WHO-FIC) in India & South East Asia Region (SEAR) countries. CBHI is committed to build an integrated health informatics platform which can provide reliable, accurate, and relevant national health information and enable evidence based policy formulation and decision making.

Vision-Central Bureau of Health Intelligence (CBHI), established in 1961 under the Directorate General of Health Services (Dte.G.H.S.) with the vision to have **“A strong Health Management Information System (HMIS) in entire country”**.

Mission- To strengthen Health Information System (HIS) in each of the district in the country up to the facility level for evidence based decision making in the Health Sector.

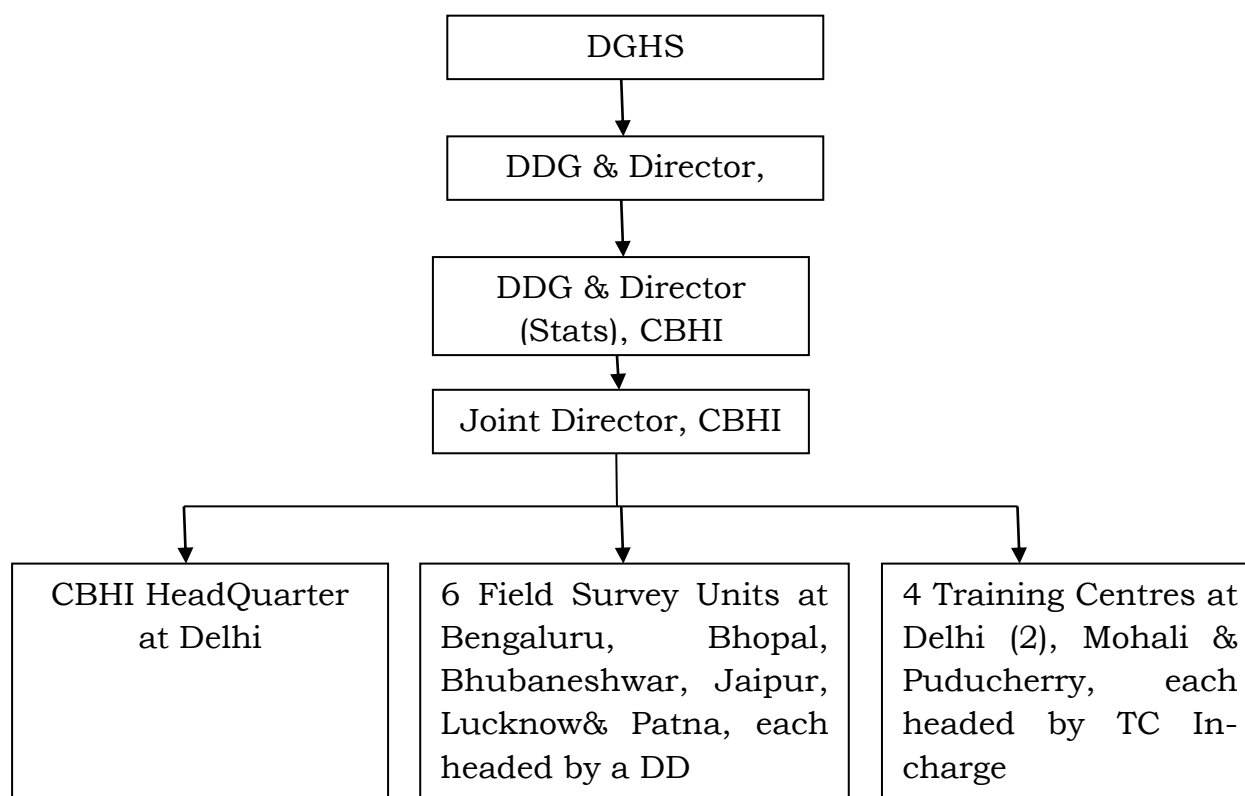

More details available on www.cbhidghs.nic.in

2. The powers and duties of its officers and employees.

As per Annexure.

3. The procedure followed in the decision making process, including channels of supervision and accountability.

The flowchart of decision making is as depicted below.

4. The norms set by it for the discharge of its functions.

CBHI is governed by norms set by Dte.GHS & Ministry of Health & Family Welfare, Govt. of India

5. The rules, regulations, instructions, manuals and records, held by it or under its control or used by its employees for discharging its functions.

As per Govt. of India rules and regulations and Instructions

6. A statement of the categories of documents that are held by it or under its control.

CBHI has been regularly bringing out its Annual Publication “**National Health Profile (NHP)**” every year since 2005. NHP covers all the major information on demography, socio-economic and health indicators including morbidity and mortality trends, human resources for health, health- care infrastructure, health finances and all other related information. The soft copy of the various editions of NHP can be accessed via link <http://cbhidghs.nic.in/index1.asp?linkid=267>.

Besides, CBHI has been coming up with various publications from time to time. The publications held by CBHI are accessible at the following link <http://cbhidghs.nic.in/index1.asp?linkid=305>

There are different types of forms available with CBHI for reporting purposes which are accessible at <http://cbhidghs.nic.in/index1.asp?linkid=275>

7. The particulars of any arrangement that exists for consultation with, or representation by, the members of the public in relation to the formulation of its policy or implementation thereof.

As and when required, Technical Advisory Committees/Group(s) are constituted for specific purpose(s) while involving experts/NGOs and others as may be needed.

8. A statement of the boards, councils, committees and other bodies consisting of two or more persons constituted as its part or for the purpose of its advice, and as to whether meetings of those boards, councils, committees and other bodies are open to the public, or the minutes of such meetings are accessible for public.

As and when required, Technical Advisory Committees/Group(s) are constituted for specific purpose(s) while involving experts/NGOs and others as may be needed.

9. A directory of its officers and employees.
