Dated the 08 June, 2022

CIRCULAR

Subject: Ex-post facto approval for medical reimbursement - regarding.

It is observed that representations have been received from officers/officials of this Directorate requesting ex-post facto approval for medical bill reimbursement after getting treatments/tests from the empanelled Hospitals/Diagnostic Centers without following the guidelines/procedures issued by the government from time to time. The matter has been reviewed and it has been decided that no proposal for ex-post facto approval shall be processed towards reimbursement of medical bills other than that of emergency cases. If not a letter for permission, at least a letter of prior information with a copy of prescription may be provided for all elective treatments. Even prior intimation/information by mail accompanied by prescription to officer in-charge would be acceptable.

2. This issues with the approval of competent authority.
